BLUE KNIGHTS® FLXVIII NEWSLETTER

MAY 2025

MESSAGE FROM YOUR PRESIDENT

Greetings Fellow Knights,

Things are heating up in beautiful South West Florida as we enter into May. We still have some good riding days ahead but you need to prepare yourself for the warm weather.

As always stay hydrated and take frequent breaks. Use plenty of sunscreen, UV protected clothing, cooling clothes like neck wraps soaked in water. Take advantage of cool morning and evening rides.

We are truly blessed to live in an area where we can ride all year but the heat is no joke!! As always Mother Nature will dictate our riding schedule. As we head into the next few months we will see some rain (Finally) so always look for cancelations Via email and Facebook. Safety and the wellbeing of our members first.

I invite all our members to get involved and come out to ride, eat, laugh and get to know your brother and sister knights. You get what you give and you definitely will receive a great time with fellow knights with minimal effort.

I am looking for members who want to host rides and events. I have some road trips planed and need some help to keep things rolling for the chapter while I am away. Step up and plan a ride I think you will truly enjoy the experience of leading a ride.

In six months we will be starting our chapter elections. All the executive officers positions on the board will be up for reelection. Now is the time to think of stepping up and taking the reins to run this chapter. Get involved and take a position. It will give you the opportunity to make changes that you might think need to be made. Get off the couch and let somebody else Monday morning quarterback for a change. This is your club get involved to keep it going.

If you have any questions about any position each and every board member will gladly explain what they do. We will show you how it is done and help you learn and grow.

FL XVIII just hit it's 30th anniversary get on board to keep it going for 30 more.

Ride with Pride

APRIL

On November 8, 1918, US Army Corporal Roy Holtz was ordered by his Captain to take him in the sidecar Harley Davidson on a night mission near Germany during WWI. Holz was one of the drivers of the motorcycle division in the Army. Harley Davidson had built 20,000 motorcycles specifically for support of the war.

Corporal Holtz took the Captain on the excursion in the area he was familiar with near Belgium but the Captain persisted they were going the wrong way forcing Holtz to drive into the enemy territory of Germany.

They approached a farmhouse with light coming from the windows. Holtz's Captain told him to knock on the door and ask directions. The disgruntled Corporal approached the door as ordered. When it opened, he instinctively stepped in, out of the rain, and was met with German soldiers. They were both captured and held. Holtz grumbled "See what your blasted directions got us into?"

The important date of November 8 and their capture was perhaps the reason they were held rather than eliminated. There had been rumors of the Armistice and as you know it was later signed on the 11th day of the 11th Month 1918 and the war ended. This is why we honor our veterans every November 11 and a convenient date of when Holtz and his Captain were released without harm. Holtz was the only soldier ever to drive a Harley Davidson into German territory.

Interestingly, Roy Holtz was from Wisconsin and lived in a city near my current residence there.

It is again that time of year when scholarships become available. This year International is offering five \$1000 scholarships.

From your Scholarship Chairman, Gary Pierce

Greetings Fellow Blue Knights,

Realizing that the youth of today will be the future of tomorrow, the purpose of this scholarship is to assist with the continued education and further development of those potential leaders. **Blue Knights® International** will make available five (5) **\$1000 USD academic scholarships** to immediate family members of the organization. Since we are a law enforcement organization, scholarships may also be applied for the applicant to attend a basic law enforcement academy. *This scholarship is limited to those 25 years of age or younger on May 1, 2025.*

For the purpose of this scholarship, "immediate family members" shall be described as:

- Son / stepson
- Daughter / stepdaughter
- Grandchild / step grandchild

Also offered is the Ed Gallant Memorial Scholarship.

This \$1000 scholarship is for any Blue Knight enrolled in a masters or doctorate program.

I encourage you all to spread the word on these scholarships. In the past we have had over 40, last year we had only 9. So, what is the problem? Some members did not even know about them. Why is that? All of us need to take the responsibility to spread the word.

ALL THE INFORMATION YOU
NEED AND HOW TO APPLY IS ON

Hello brothers and sisters,

I am taking orders for our newly designed chapter tee shirts.

You can order them at our monthly chapter meeting or you can email me your request.

Details:

- ⇒ The cost per shirt is \$20 regardless of type or size.
- ⇒ We are only purchasing shirts based on your orders.
- ⇒ We would like to have payment upfront before we place the order.
- ⇒ Colors and sizes are listed below.

Colors:	Pastel Blue / Silver / White		
Men's Tee:	Sleeveless	Long sleeve	Sizes: XS - 4X
Ladies Tee:	Tank	Long sleeve	Sizes: XS - 2X

Well, I'm sure that most of you are aware by now that the meeting has been canceled for next month. The heat cometh. Alex and I spent some time on the bikes this weekend and came back after four hours of riding and collapsed under the ceiling fan. Time to load up the bike with Water and essentials to make sure that we are protected from the heat.

I've had a busy year as some of you are aware, having buried a brother, a biological father, the father I grew up with and a mother. I have been working 50 to 60 hours a week as much as 3 to 4 overnights a week and weekends unrelenting. Moved twice and built a home. Needless to say I found that I have not had a whole lot of time in the past year for additional things. The chapter needs to start looking towards officers who are retired and can spend their time working on chapter business. I will not be running for vice president in the upcoming election. I'm still working and simply do not have time to honor that type of commitment. It was my pleasure to fulfill the request of Patrick, who asked me to be the vice president When Rory stepped down, but this position needs somebody who can dedicate a lot of time to it. With that being said, it's been a pleasure being the vice president but I intend to sit in the middle of the rows and watch the show.

The last thing in the world I want to do is for somebody look at me and say "you don't do anything" after having buried four members of my family in a year and all the other transitions I've had. I will continue to ride as commitments allow and do whatever tasks the new panel of officers ask of me. This will be my last entry as V.P. God bless and I will see you at the June meeting or on a ride before.

Easter is a time of profound joy and reflection, a sacred season that reminds us of the power of hope, the promise of new beginnings, and the triumph of life over death. As we gather to celebrate the resurrection of Christ, we are invited to embrace the renewal He brings—not only to our spirits, but to every aspect of our lives.

May this Easter bless you with peace that surpasses understanding, joy that fills your heart, and love that overflow into every relationship. May you feel the light of the risen Christ shining in your life, guiding your steps, lifting your burdens, and renewing your faith.

Let this season be a reminder that no matter how dark the days may seem, the dawn of resurrection is always near. Just as the stone was rolled away, so too can the barriers in our lives be lifted by grace and mercy.

Wishing you and your loved ones a blessed Easter filled with hope, healing, and endless joy.

- May Day is a public holiday celebrated on the first of May or the first Monday in May (in the United Kingdom). It is an ancient festival marking the first day of Summer (the current day is in Spring) with dancing, singing, and cake!
- At one point, May was once considered a bad luck month to get married. There was a poem that said, "Marry in May and you'll rue the day."
- May is named after the Greek goddess Maia, the Greek Goddess of Spring. The Romans had a similar goddess named Bona Dea where they would hold a festival in the month of May for her.
